

COMPOSITION OF THE CLASS OF SESSION XVI

There are nine participants taking the full course. Four, plus the wives of two of them, will take the Latin American Area course; three (no wives) will take the Western European Area; one participant and his wife will take the Far Eastern course; and one, destined for Pakistan, will study that area. One lady, Mrs. Diane Mikiska, whose husband will not be able to attend, will take the Special Course for Wives and also the Latin American Area, making a total of seven for that area.

The age range of participants is from 32 to 50. All but one (Mr. Sosnov) are married. All but two have children. All have had college training; six have Bachelor's degrees, two have Master's degrees.

Three have had no foreign travel or residence (Mrs. Mikiska, Messrs. Clark and Sosnov); three have traveled extensively; two have had limited travel; and one, Mr. Benton, has lived in Colombia for seven years. Mr. Walter has traveled widely in the Far East and has also been in parts of Europe and South America. Mr. Dickerson has traveled through much of Europe and parts of South America and the Caribbean Area. Mr. Cole has been in Europe and Mexico; Mr. Keeley has been in China and the South Pacific; Mr. DiGiacomo through parts of Europe and Mexico; Mr. Carroll lists parts of Europe in his experience. Duration of foreign residence or experience has not been given except in the case of Mr. Benton.

Positions include: District Supervisor, Assistant to the President, Director of Sales, Project Engineer, Regional Marketing Manager, and one is retired after extensive experience in employee and labor relations.

Language: Four have useful facility with some foreign language, and three an elementary knowledge.

Overseas Assignments: Germany, Sweden, Japan, Pakistan, Colombia (return), Mexico, Argentina.

All are United States citizens.
